

Ebble Thatch Bowerchalke Salisbury Wiltshire

Broad Chalke 275

8th April

Dear Maria,

Once again thank you for being guide, philosopher and friend? left to myself, God knows what would have happened!

After all, I have found the ticket, though it was torn up. I hope you can find the relevant information on it.

I hope we may meet again at some time.

Yours sincerely
Bill.

(William Golding)
